About Us

National School of Banking (NSB) welcomes you to explore the world of the largest Bank Pre-recruitment Training Institute in India. NSB is actively involved since 1978 in training candidates seeking bank jobs from every nook and corner of India.

With an experience of over 36 years, we have the singular distinction in India of helping thousands of young men and women to join Banks as Officers and Clerks. In Banks all over India, you see a situation in which every next Probationary Officer and Clerk during the past thirty-six years has passed through the portals of NSB for his/her training.
