About Us

Parag pouches a firm incorporated in 1979's with a small unit in Jodhpur started with manufacturing and selling Jaljira, Digestive Churan & Supari. Proper working of dedicated owners Mr. Mahendra Bohra & Mr. Rajendra Bohra and team staff having their motto of making it spread all over the globe. Now after completing almost 30 years of quality service, we are emerging a one of the quality product sellers in the market. Our first product was Jaljira & Supari We are proud of our all products, our products are available in many varieties and flavors. Be sure to try all of the great varieties of parag Pouches products. Quality and hygiene are the foremost on the list. We have very careful to come perfect on the expectations of our consumers. We use the modern manufacturing techniques to offer the food lovers some exciting products. The manufacturing of our products is based on an advanced manufacturing plant. It is a reliable and semi automatic manufacturing and processing unit. It makes us able to offer hygienic and superior quality products packed with a trusted packaging system. We have kept intact the ancient science of Ayurveda since the beginning of our indulgence in the production of Ayurvedic Medicines and Herb Supplements. we have managed to achieve a distinct stand across the Domestic and International market as one of the fastest growing and leading manufacturer and exporter...
