

Natural Garment

<https://www.indiamart.com/natural-garment/>

Manufacturer of t shirts, pajamas, ladies tank top, ladies cami top and night dress.

About Us

The Natural Impex established in 1997, is today one of the leading exporter and manufacturer of knitted garments, incorporating the latest technology in the fashion industry with the most updated machines at hand, we are ready to take on the world with style. In a very short period of time we have established ourselves as professional organization that provides services to the utmost satisfaction of our clients. This fact is recognized both by the competitors and our clients. Focus The new millennium gives the impetus to cast a glance over well-traveled roads and to look towards the future with a sense of mission. Since Inception, a clear vision and an unrelenting commitment quality have helped us in charting out the course of our progress in the fashion industry. A progress that is commendable by all means, taking the The Natural Impex name across the world.
