About Us

Nature Kids is a childcare and pre-school with a difference. It is set up in forty (40) cents of ideally landscaped and well-appointed compound on the Junior Janatha Road, Vyttila, Cochin, with ample area for children to play, learn and respect nature.

We provide an innovative play-based curriculum that is guided by the Early Years Learning Framework EYLF of Australia tailored to suit the needs of our children. It is a globally well-acclaimed pre-school curriculum. We support the preventive and adaptive stress-free curriculum, "Joseph approach" for our preparatory classes.
