About Us

Established in the year 2014, Navalai Industries is one of the leading Manufacturer, Wholesaler, Trader and Service Provider of **Mahogany Trees Plants, Organic Fertilizers, Commercial Farming Plantation Service** and many more. We offer these at most reasonable rates. Dr. Raju Masram is a **Chairman of Navalai Industries**. He has done **B.E.M.S. from Medical Council, Nagpur & D.N.Y.S from Shivmudra university Raipur Chhattisgarh**. He is working for various NGO's, Tribal areas and backward classes in various regions of Maharashtra. He is working for malnutrition in Children, teenage girls, Pregnant women and also for tribal's to improve their food quality by providing food supplements through government schemes & PESA (Panchayats Extension to Scheduled Areas).

He is also a medical advisor and works for tribal's in Amravati, Yavatmal, Nanded, Nashik, Thane districts. With his extreme efforts, hard works and guidance and promotion of nutritional food supplements, 76000 to 80000 child's were recovered from malnutrition.

Now he is aiming to provide sustainable and life long development for those tribal regions through commercial Mahogany tree plantation.

Through his experience and studies he found that increasing deforestation, population and increasing demand of wood is the major cause of shortage of wood and Mahogany tree plantation is the best solutions to overcome this problem...
