About Us

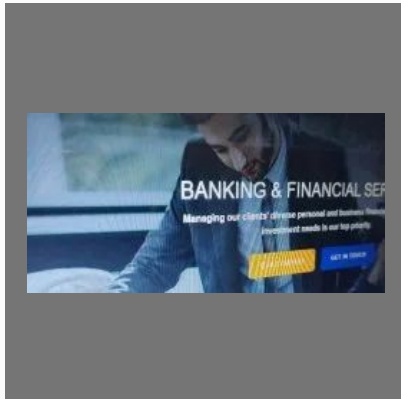

Incepted in the year **2011**, at **Ludhiana (Punjab, India)** is a sole proprietorship firm engaged in offering real estate solution for clients based across the world, initially started a step from Ludhiana, one of the developing cities of Punjab and have emerged as noted organization specialized in rendering highly flexible services in the field of Property Advisor. Blessed with proficient team members, our excellent real estate services are reliable, transparent and require minimum time for completion. The Sales, Purchase, Rental and Leasing services for properties are carried out by our skilled and experienced professionals we have been able to offer lands and properties whether its Commercial, Residential, Agriculture and Industrial on the basis of sale, purchase, rent and lease to provide optimum return rate on the client's investments. We also specialize in leasing to Corporate, Expatriate and Retail brands. In order to offer solutions that accurately meets the preferences and tastes of the clients, we conduct various market surveys to locate the best locations keeping the monetary constraints of the clients in mind. Also, our team members properly explain our clients about documentation process so that our clients are benefited with legal and authorized properties. Further, the compliance...
