About Us

NAVEEN ITI" had a very great beginning in the year 2005. The Institute now has well splendid campus at Recreational Study Junction, Hari Dham, Poorvi Nath Nagar, Jwalapur, Haridwar. Since it's inception, the Institute has emboldened it's ideal of it's being a secular place of learning and has always remained open for all the sections of society. Naveen Industrial Training institute, one of the leading vocational training institute located in the heart of Haridwar city is having a team of qualified and experienced faculty which guides you to think ahead and reach in life by offering a proper mix of education and training on different machines ensuring complete satisfaction for the trainies. The Institute's moto 'Forward Ever, is the basic ideal under which the Institute is governed keeping an eye on the ethics along with the present and future requirements of all those associated with the school, so that the march of moving forward continues to make success stories. The Institute is founded on the basis of co-educational system of education following N.C.V.T. pattern of education and Institute provides it's students an environment which facilitates them to reach beyond their social and economic status.
