We have a dynamic team of Advocates and Company Secretaries and other supporting staff. Each team member has a specific focus and complements the team efforts.

## About Us

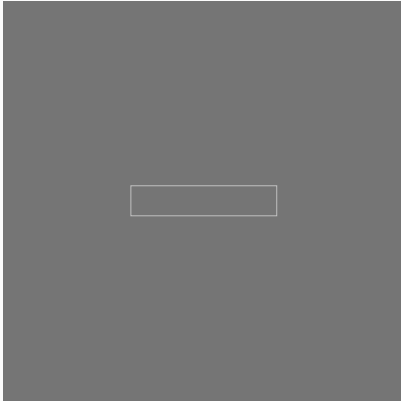

We have a dynamic team of Advocates and Company Secretaries and other supporting staff. Each team member has a specific focus and complements the team efforts. We understand the business environment and support the clients in terms of planning & execution of various assignments with minimum dependence on clients' infrastructure. We have been able to establish long lasting relationship with our valued clients by offering them specialized services in all corporate matters. The firm is located in New Delhi but operates throughout India. It has association with other fellow professionals in different parts of the country, to cater to the needs of its client
