About Us

The modern women deserves a well-tailored outfit that fits her body type perfectly. At CityBespoke, we try to commemorate the craft of traditional tailoring through the bespoke process while providing you with affordable luxury with a unique and unequaled service. The bespoke process is a transformational experience, where each outfit is hand cut and then sewn together in according with our high quality standards, while focusing on your natural fit. The silhouettes are European, crafted to perfection through a contemporary lens, as detail is of predominant importance to us. Our classic aesthetics, while retaining the craftsmanship and quality of our Bespoke garments. So make an appointment with our team and experience CityBespoke company at your doorstep for the quintessential outfit experience.
