## About Us

Established in the year **2013**, at **Dwarka (Delhi, India)**, we “**Neelam Special Protection Guarding Pvt. Ltd.**”, are reliable service provider, highly devoted towards offering the best **Security Monitoring Services, Corporate Security Services, Personal Security Services, Investigation Services** and **Security Services**. We are backed by highly skilled team of professionals, who possess years of experience in this field. We ensure proper safety in residential area and other similar places. Our provided security officers and guards are capable of handling emergency situations easily and efficiently. We conduct a tough selection procedure, where we assess the mental and physical fitness of the security guards. We have highly experienced team of trainers, who diligently train the security guards about each and every aspect of the security. Widely demanded by hospitals, corporate offices etc to provide a secure environment, our provided security guards assure reliable services. These services are widely acknowledged by our clients for their high reliability and cost-effectiveness features.

Under the guidance of our Director “**Mr. Krishan**”, we have been able to gain the maximum satisfaction of our esteemed clients. Our offered services are highly demanded by clients owing to their timely execution, reliability and client centric approach. Our services are provided as per the requirements of our valuable...
