

Neel Events & Banquets

<https://www.indiamart.com/neeleventsandbanquets/>

We are a dynamic event management firm, engaged in organizing both Private and Large Scale Public Events. Working with a belief of making each event a mark, We offer event management services as per the requirements of our clients.

About Us

Based at Pune (Maharashtra, India), we, “**Neel Events & Banquets**”, are a company with the talented and enthusiastic professionals, engaged in organizing **High End Events, Wedding, Birthday Party** and other **Inauguration Services**. All the events organized by us have been successfully executed with professional touch. We offer all the positive as well as practical solutions in the Event Management and our clients have expressed their gratitude for unmatched services. We come up with the latest concepts as well as ideas, which further maximize the functional aspect of various events in the field of event management.

Our expertise covers the various aspects of Events including **Planning, Management , Coordination and then Execution**. We always deliver cost effective events without making any compromise on the final output. We offer our customers the latest concepts and ideas that further maximize the functional aspect of our event management services. With our expertise in pre and the post event planning, we are able to organize events perfectly for our customers within their budgetary limits.

Due to the efficient guidance of our mentor and guide, **Mr. Amol Singalwar**, we have been able to achieve a reputed position in this domain. He has been the prime force behind all our business operations, which are efficiently carried out by our expert team members. His untiring efforts and expertise have enabled the company to...
