Our organization is a leading trader, supplier, retailer and wholesaler of Imitation Jewellery. All our products are known for their unique designing, fine polishing, resistance to humidity and longer wear ability.

About Us

Established in the year **1993**, we, “**Aarush Enterprise**”, have emerged as a top-notch organization in the domain of trading, supplying, retailing and wholesaling of **Imitation Jewellery**. Our range of products enhances the overall appearance of the wearer. The vendors, we select also make sure that the gems used in the jewellery are of high quality. Unique designing, polishing, exotic patterns, resistance to humidity and longer wear ability are the outstanding features of our product. Our experts remain in contact with the vendors in order to deliver the bulk requirements of our clients. These are available in different colors, patterns and designs as per the requirements of our clients. Our trade membership is **Trade Association of AHMEDABAD** and **All INDIA Trade Association**. We select our vendors on the basis of their credibility and market standing. Under the able guidance of our mentor, “**Mr. Jit Bhai**”, we have been able to establish a benchmark in this industry. His determination and sincerity towards work have enabled us to build a huge clientele across the nation.
