Exporter of ladies garments and hi-fashion garments.

## About Us

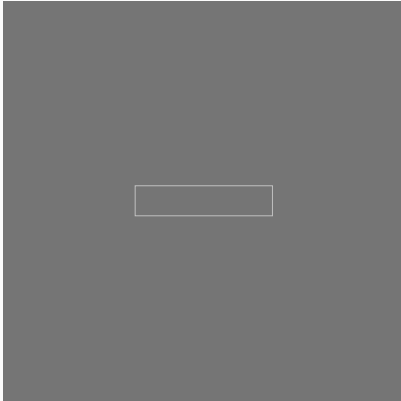

**Nehal Exim** is a fully compliance (SA 8000: 2008) export house. This company was promoted by Mr. Gopal Lal Moondra who has vast experience in this industry and was associated with this industry past two decades, later joined by his son Mr. Vikash Moondra. During last 2 decades the only point of our success is good quality and timely deliveries. The company is being managed by partners with the help of dedicated team. The company is fully equipped with all necessary machineries used for manufacturing and finishing of the garments. All the required tests by the buyers are being conducted by the nominated laboratories wherever it is necessary. Our unit has a capacity of 35,000 pieces of readymade garments per month. Our modern manufacturing facility is located in the industrial belt of Jaipur, the capital of Rajasthan India. It is well connected by public transport, just 7 km from the Jaipur Airport.
