We are one of the well reputed manufacturers and suppliers of an exclusive range of Blinds that are used for commercial and residential purposes. Apart from this, we also deal in Mattresses, Wooden Flooring and Wallpapers.

About Us

Established in the year 1987, at New Delhi, Delhi, we “**Neha’S Touch**” have emerged as a trusted name in the field of manufacturing and supplying a quality approved range of **Blinds** that includes **Door Window Blinds Venetian Blinds, Timber Chicks** and **Vertical Blinds**. Widely used for decorating purposes, these are manufactured using high quality wood and modern technologies and are a perfect blend of style and elegance. In addition, our advanced infrastructural facilities that are efficiently operated by our team of skilled professionals have made us able to provide our clients with flawless range of products. Also, our ethical approach as well as transparent dealings have made us a symbol of brilliance in the competitive market. Known for the features like less maintenance, easy to clean and perfect finish, these are widely reckoned by our clients nationwide. We are able to progress and maintain pace with the international trends of the market with the guidance and support of our mentor, **Mr. Anil Jain**. He constantly motivates the team of professionals to follow stiff quality control measures and keep pace with the latest market trends and technological advancements, so as to enhance the quality of the products. His strong effort has enabled us to carve a niche for us in the market and cater to the needs of the **Indian Subcontinent**.
