## About Us

Nemi Business Insights is one of India's fast growing media monitoring & analysis agency with strategic presence in all major Indian cities. Established in 2016, Nemi Insights hands-on expertise can meet all your specialized business intelligence requirements, tracking news about your company, your competitors and relative industry.

Nemi Business Insights provides COMPREHENSIVE analysis of the media impressions garnered vis-a-vis your competitors and industry trends. Each report delivered is hand-crafted to suit the requirement of the end user with great insight and understanding of the scenario. These customized media management solutions can propel your business into a higher orbit.
