Neocrete Technologies Private Limited

<https://www.indiamart.com/neocrete-technologies/>

We are one of the leading manufacturers as well as turn-key solution providers of epoxy/PU/cementitious cast in-situ flooring systems. Our products are joint-less, seamless, chemical, abrasion and impact resistant floorings.

About Us

Neocrete has built up an impressive customer portfolio including MNCs such as Coca Cola, Nestle and Wockhardt and other reputed Indian companies such as Shapoorji Pallanji, Madras Pharma, Sterigene Life Sciences etc. With their near obsessive emphasis on quality as opposed to quantity, their accent on continuous product and process improvement, unflinching passion and pride in their product and services **Neocrete** has earned the trust and respect of a multitude of industrial clients and consultants. **Neocrete** manufactures products used for protection, restoration and renovation of concrete and steel surfaces. Their products are based on epoxy, polyurethane and acrylic polymers and designed exclusively for protection of surfaces against physical, mechanical, chemical and biological damage. Neocrete's products are designed to provide the following unique selling proposition:

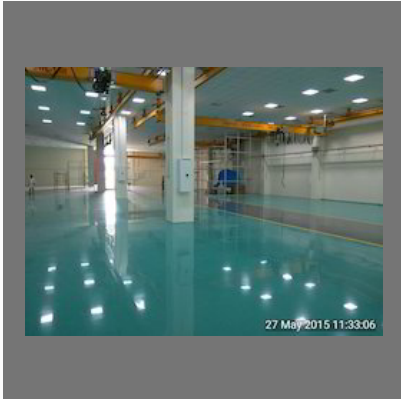

- All products based on Epoxy, PU or Acrylic polymers
- Cast-in-situ concept
- Custom-designed
- Value-added products to provide superior protection to concrete or steel
- Anti-bacterial, anti-fungal, hygiene protection
- Applied and serviced by trained, skilled work-force
- Products for both commercial & industrial applications.
