Neogem [I] Ltd. is well-established and adroitly managed company with state of the art plants, machinery and strong workforce of approximately 240 employees.

About Us

Neogem [I] Ltd. is well-established and adroitly managed company with state of the art plants, machinery and strong workforce of approximately 240 employees. Currently we manufacture diamond-studded jewellery and export the same to various countries. Having aggressively pursued direct export we have now forged a strong network of customers all over the world especially in the USA and Europe. Neogem is also actively engaged in trading exports-we import cut and polished diamonds and export them to countries like UAE, Hong Kong and Europe directly.

Neogem has a sprawling manufacturing unit and administrative office of 7,000 sq.ft in SEEPZ-SEZ Mumbai. The manufacturing unit is favorably placed, well connected by road and rail. Its proximity to Mumbai International Airport and Sea port tremendously facilitates export of finished products and imports of raw material, likewise. Neogem [I] Ltd has recently been rewarded the status of a "Two Star Export house".
