We are engaged in the manufacturing, supplying and importing of a massive range of Wiring & Cable Harness. These are highly regarded for their excellent conductivity and long lasting life.

About Us

Established in **2007**, we, **Neptune Enterprises**, an **ISO 9001: 2008** certified are a proprietorship firm that is engaged in the manufacturing, supplying and importing of an ample range of Wiring & Cable Harness. Finding a vast application in automotive industries, the whole range of the offered products is highly acclaimed in the market. The offered range of products has been a preferred choice of our revered clients.

Backed by a state-of-the-art infrastructure facility and a diligent team, we have been capable of making our offered range of invincible quality products available to the customers we have. Committed to cater to the satisfaction of our clients at prime, our team of quality controllers checks the entire range of the products offered on various parameters and hence ensures a defect-free range of products for the clients. Working in coordination, our team is dedicated to fulfil the exact needs and requirements of the customers we have. Owing to their sincere efforts, we have secured a conspicuous position in the market.

Under the mentor ship of **Mr. Jagdish Chavan**, we have been capable of touching the dimensions of success. His rich experience in the domain has aided us in accomplishing our desired goals. We are further committed to follow ethical business practices that have enabled us in attaining the valuable trust of our esteemed clients. We import our products from different countries like **Japan, Dubai...**
