Neutek Power System Private Limited

<https://www.indiamart.com/neutekpower-system/>

We are one of the major manufacturers & Exporter of electrical control Panels, MCC panels, PCC panels, Distribution panels, Vfd control panels, APFC Panels, PLC control panels, Ac Servo motor & drive, AC/DC drive, Machinery panels.

About Us

Established in the year **1995**, at Ghaziabad (Uttar Pradesh, India), we “**Neutek Power System**” are counted amongst the leading manufacturers and suppliers of an exceptional range of Industrial Panels and Drives. In our extensive range, we offer **DC Drive Panels, P.L.C. Panels, C.N.C. Panels, DRO Control Panel, Electrical Control Panels, P.F. Control Panels and AC Drive**. These products are highly acknowledged among our customers for their sturdy construction, precision engineering, longer service life and reliability. Further, these products are designed and developed at our well-developed manufacturing unit using advanced machines and equipment. Our offered range of products is widely used in various industries like sugar mill, steel tube mill, steel tube mills, wire rod/hot, drawing industries, paper mills, etc. Bestowed with a team of skilled and diligent experts, we are able to manufacture flawless range of offered products. Our quality control experts deeply examine our entire range on various parameters to ensure that we are offering our customers unquestionable range of products. They strive hard in order to develop our entire range as per the industrial standards. Apart from qualitative product, our ethical business policies, easy mode of payment and competitive prices has also gathered us huge client base with renowned names such as Magadh Steel Hot Rolling Mills Plant Punjab, Amroon Foods Lucknow, Up Co-Operative Sugar...
