About Us

Established in the year 1996 by Mr. Ram, JK Portraits is an organization which deals in offering expert photography solutions for various occasions. With a perfect combination of light, location and mood, we capture photographs that speculate on the past, present and future. Our profile have been a showcase of excellence, assembled and customized to suit the needs of individuals as well as professionals.

We plans the assignment in details, a thorough understanding of the occasion & time–line. We record and create a unique storybook album which has glitter of moments, aroma of love, depth of feelings, sound of whispers & giggles, sanctity of rituals, for you to cherish and relive those moments the rest of your life. We have cameras professionals and editors who can easily create uniqueness in any captured moment with their abilities and skills. We click the images in an unforgettable manner that offers a distinct mark and a fantastic memory of your day.
