

New Life India Fertility Clinic Private Limited

<https://www.indiamart.com/new-life-india-fertility-clinic/>

We are a healthcare agency which provide services in ivf treatments, infertility treatments, egg donation and surrogacy program.

About Us

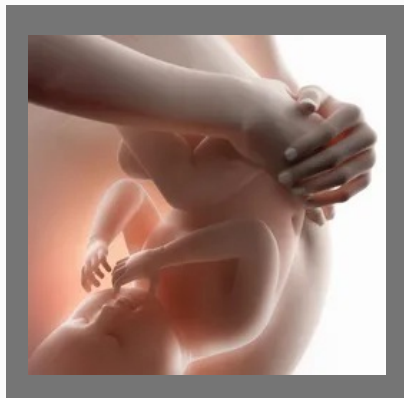

New Life India is the sister clinic of Georgia IVF and Ukraine IVF. Newly opened, we offer an alternative to Intended Parents seeking Egg Donors and Surrogates in the India, whilst upholding the high standards and known reputation of Georgia and Ukraine IVF. We provide services to infertile patients wishing to start or expand their families. New Life India is an affiliate center for infertility treatment, surrogacy and egg donation of New Life international network of healthcare agencies operating in Ukraine, Georgia and India.
