<https://www.indiamart.com/new-mahalaxmi-projects/>

We are one of the finest manufacturer and supplier of this impeccable range of Conveyors & Material Handling Products. In addition we provide the finest fabrication service to our clients, at market leading rate.

## About Us

**New Mahalaxmi Projects**, established its operations in the year **2004**, as a manufacturer and supplier of the finest and the most diverse range of Conveyors & Material Handling Products. Making of this range is done as per the set industry guidelines, which ensures its standard of quality. Its superior strength, performance, functional life and impeccable speed, is owed to the finest raw materials and advanced technology applied in its making. The offered range is known to be marked at the most reasonable rate possible. In addition, the range comprises of the finest Belt Conveyors, Roller Conveyors, Chain Conveyor and many more. The finest fabrication service is made available by us, at the most reasonable rate possible.

For the purpose of maintaining and boosting our presence in the market, our highly modernized infrastructure, goes through regular up-gradation. For the purpose of attainment of a number of the predefined goals and objectives of the firm, our facility includes all the required machinery and equipment. For reasons of managing its operations in a manner, which is efficient as well as effective, we have parted the facility into a number of highly operational units, lead by highly skilled and experienced professionals. These professionals, with utmost dedication, help us boost our manufacturing capacity. In addition, our attainment of huge client base is owed to our ethical working habits.

Under the leadership of **Mr. B. S....**
