About Us

WELTECH CONTROLS (P) LTD is manufacturer of Industrial RUBBER ROLL COATING MACHINE, control panels and wire winding machines .Weltech brand name is known for quality, innovative products, prompt delivery and excellent customer support in Indian Industry and world over. Marketing is handled by dealer network in entire India. Products are exported world over directly or through local exporters. **WELTECH CONTROLS (P) LTD** only specializes in designing and building OF STRIP BUILDER MACHINE FOR COATING OF RUBBER ROLLER, control panels and Wire Winding Machines and providing industrial control solutions. The result is our company stays focused, overhead is reduced, the price of equipment is reduced, volume is increased, and client expectations are exceeded. Our competitors, who design and build control panels and machineries, are often focused on other core areas of their businesses such as engineering or electrical contracting. Their panel design and fabrication activities suffer the consequences attributed to a lack of focus. They have a hard time meeting deadlines, providing competitive pricing, and/or providing panels that truly meet the needs of the customer.

WELTECH CONTROLS (P) LTD is a leading MANUFACTURER OF STRIP BUILDER MACHINE, Control Panel and Wire Winding Machines (Autocoiler) builder in Indian Market. Founded in 1997, Weltech builds custom control panels and Autocoilers as per client specifications and strives to...
