About Us

Established in the year **1967**, we “**New Engineering Corporation, Chennai**” are a prominent manufacturer and exporter industrial tools and gauges. Apart from this, we are also reckoned for being a prominent authorized dealer of HELICOIL Thread Repair Kit & Inserts and MITUTOYO Measuring Instruments. The precision engineered industrial tools, gauges, and measuring instruments we offer to our global clients are known for salient attributes like rugged construction, durable finishing, and corrosion resistance. Further, these are stringently checked on well defined quality parameters in order to assure longer functional life and easy usage in the application areas. Along with the quality of the range, we have been able to maximize the satisfaction of clients with customer friendly approaches such as cost effective prices, easy payment modes, and timely delivery of the range. Backed by the four decades of experience of our mentor, “**Saifuddin Kikabhai**”, our professionals enable us to meet the exact demands of clients effectively. Led under his capable guidance, they have been able to implement ethical business practices in our endeavors.
