About Us

Today we are comprised of a team of programming technicians, designers, and marketing executives- selectively chosen to lead our clients in their IT solutions.

NEWGEN provides IT consultation and services to clients globally - as partners to conceptualize and realize technology driven business transformation initiatives.

Over the years, NEWGEN has grown from strength to strength in both our Business and Software Solutions arena. From our IT Consulting as well as Custom Application Development, Web Development and E-commerce all of which help our customers with their diverse yet demanding needs. NEWGEN provides end-to-end business solutions that leverage technology.
