

# Nexus Merchandising Private Limited

<https://www.indiamart.com/nexusmerchandising/>

Exporter of textiles, fabrics, dhurries etc.

## About Us

We are sourcing agents of home products based in new Delhi, India. We design, we source, we check quality at various stages of production, we do labeling and packaging and we ensure that our clients goods are shipped on time. We are a bunch of young , hard working, dedicated, enthusiastic and result oriented professionals whose only endeavor is to provide flawless services to our esteemed clients and deliver the right quality of merchandise as per the acceptable international quality standards.

We do our best to keep up with modern international trends, constantly updating our designs and staying tuned into the current international style forecasts. Since its inception in the year 1994,

Nexus has carved out a niche in the global market with its vast range of innovative home products and exceptional services provided to its overseas clients.

Our uncompromising quality standards, unparallel services and individual attention has helped us to achieve our corporate objective of total customer satisfaction". We have a base of more than 60 factories based all over india who specialize in their respective product area and are able to cater to the required international quality standards. We have been in this trade for about two decades lighting the way with constant innovation and setting the quality bar higher and higher every time and many more decades to go.
