We are a quality manufacturer, exporter and supplier of a wide range of all types of readymade garments and different types of fabrics. These products are fabricated from 100% cotton, polyester, PC, PV and other blended yarns and fabrics.

## About Us

Incepted in the year 1995, at Ludhiana (Punjab, India), we, “**NG Apparels**,” are the recognized manufacturer, exporter and supplier of all types of **Readymade Garments** and **Fabrics**. Catered assortment of our products includes **Men’s Wear**, **Women Wear** and **Fully Finished Fabric** like **Ladies T Shirts**, **Ladies Tank Tops**, **Boy T-Shirts**, **Men Hooded Jacket** and more. These garments can be availed in multiple sizes, designs, colors and patterns. All our finished garments are appreciated for tear resistance, fine stitching, shrinkage resistance, color fastness, uniform dyeing, etc. We have built a sophisticated manufacturing unit to fabricate our varied array of garments as per the detailed specifications of our valued customers. To maintain premium quality in our offered apparels, we use only 100% cotton, polyester, P/C, P/V and other blended yarns/ fabrics while designing these garments. Due to our cordial relations with the reputed vendors, we are also able to source mill made and power loom fabric. Further, these are checked on the globally defined quality parameters. Our professionals keep themselves abreast of the changing fashion trends and improvise the quality of offered garments accordingly. They also remain in close contact of our customers to get useful feedbacks to make required changes in our offered collection. Removing any kind of budget barrier, we have set reasonable prices for our...
