About Us

(NHRDF) was established by National Agricultural Co-operative Marketing Federation of India Ltd. (NAFED) and its Associate Shippers of onion on 3 November, 1977 under Societies Registration Act, 1860 at New Delhi. During 1989, the Head Office of NHRDF was shifted to Nasik but the Registered Office is at New Delhi. The aim of establishment of NHRDF was to guide the farmers, exporters and others concerned for improving the productivity and quality of horticultural crops in order to make available sufficient quantity for domestic requirement and also to boost up export of onion and other such export oriented horticultural crops in the country. Onion was the first crop on which the NHRDF has started its Research and Development programmes to meet the above mentioned aim and subsequently garlic, okra, chilli, French bean crops etc. have been added. The NHRDF initially started as a small center at New Delhi in 1978 and now it has 5 Regional Research Stations, Laboratories on different aspects and 20 Extension Centers spread all over the major onion and garlic growing pockets of the country. It has also established one Krishi Vigyan Kendra at Ujwa in New Delhi to cater the needs of farmers of Delhi State.
