About Us

Nice Computer Institute, NH - 24, Ghaziabad is started with a mission to deliver high quality education and training in the field of Web Designing, Graphix Designing & Development. The centre is located in front of NH-24 Road Vijay Nagar Bye Pass Ghaziabad, which is somewhat called the Hot city. The ambience of this premier place is incredibly spectacular and lively for creative development. We have a team of highly qualified and experienced faculties, who have expertise knowledge of the subject. The faculty members are dedicated towards the development of creativity in the students. The centre has the well structured lab equipped with computer systems having the latest configuration for multimedia training.
