Nikhaar Creations

<https://www.indiamart.com/nikhaarcreation/>

Nikhaar Creations has excelled in Imagining & crafting of luxury Ladies Wear. We manufacture high octane designer kurtis, salwar kameez & mix n match patiala salwars, ankle/full length leggings to compliment our exquisite designs.

About Us

Established in the 2007, we, '**Nikhaar Creations**' are a major Market leaders in the **Manufacture, Import, Export** and **Wholesale** of luxury **Ladies Wear**. With a charismatic collection of stylish and aesthetically suited modern Indian clothing our company has a product category of **Ladies Fancy Kurtis, Ladies Kurtis, Ladies Tunics, Ladies Stylish Kurtis**. The materials procured are from some of the reliable vendors with a strict quality procedure that is aligned with the **ISO** standards we associate with. We employ some of the best advanced computer design tools for fast delivery of templates necessary for production of different patterns. Our production team is equipped with latest tools that support bulk production and enhance product cost reduction. A flexible payment mode and efficient delivery rate our products have been the most cost effective and competitive. We have a state-of-the-art infrastructure spread across a wide 600 square feet. It houses some of the most advanced design and fabrication tools that are calibrated to the highest degree. Our Team of quality experts are well versed with latest ISO standard checking parameters to verify the skin friendly and comfortability of the product. We provide an excellent packaging facility suit fro some of the extreme customization issues. Recently owing to the large client base we have streamlined the supply chain mechanism to provide a profitability to the business. With major...
