About Us

Established in the year of 2017, Amber gold & diamonds is the leading **manufacturer, wholesaler, trader and retailer** of **Ladies Earrings, Ladies Bangles And Bracelets** and much more. These products are enormously used owing to their top features and nominal costs. Besides, our vendors follow present market technique and technology in the designing of our products. Moreover, we offer these products in many design and styles at nominal costs. Jewellery has a deep connection with women since ages. A significant adornment that represents tradition, defines power and celebrates love, holds a special place for every woman.

At **AMBAR**, we understand the importance of the sparkling stone and thus, consider it as a piece of art. For us, it is a statement that has to be selected with care, appreciated and admired because after all, it is someone's story that is all set to become their special memory. Established in 2017, 9Carats, a fine jewellery curator offers a one-stop shop for that dazzling jewellery. The contemporary classic designs showcased on the platform are hand-picked from the craftiest boutique jewellers from across the country and guarantees to make every piece special with its exceptional and artful designs and stone placements.

AMBAR brings to you distinctive pieces of jewellery for every occasion of your life. Every piece designed holds an element of...
