About Us

Ninoshka Alvares-Delaney is a young Indian fashion designer from Goa who believes in minimalistic style. It was her childhood dream to be a fashion designer and it is her passion, hard work and determination which have made her label '**Ninoshka**' a reality. *Ninoshka* started her career as a Merchandiser cum Designer at an export house where she coined and developed samples for some of the top international brands such as Nordstrom, J C Penny, Next, Rare Vintage, Charms and Lane Bryant among others. In 2009, she joined Mélange as the in-house designer which gave her a unique opportunity to experiment and hone her personal minimalistic style. However, being a versatile designer that she is, she also delivered garments that would suit the client needs. At Mélange, she has catered to some of the top personalities in India such as Nirja Birla, Shabana Azmi, Shilpa Shetty, Sonali Bendre and many more.
