<https://www.indiamart.com/nirosh-engineering/>

We have positioned an enviable status by manufacturing and supplying an advanced array of Automation Sliding Gate, SS Glass Handrail and others. Our company also holds specialization in offering desirable Engineering Contracting Service.

About Us

Nirosh Engineering has commenced operations with a sole motive to serve to the maximum and ever changing desires of clients efficiently. Established in the year **1992**, we have directed all our efforts towards **manufacturing and supplying** a wide assortment of **Mezzanine Floor, Chain Link Fencing, SS Glass Handrail, Automation Sliding Gate, CNC Lathe Machine work, Shed Roofing** and many others. Also, we are acclaimed for offering reliable Engineering Contracting Service, Engineering Consulting Service and Precision Works Service. All products and services have found wide appreciation from the huge base of customers for their superior characteristics such as sturdy construction, technologically enhanced, anti corrosion, rust proof, excellent performance, high operational efficiency, reliability and many others. We have adopted latest manufacturing techniques to stay in accordance with the upcoming market preferences and enhance our manufacturing capacity. Thus, our company has been able to serve to the changing specifications of customers in a best possible manner. Our company is growing without boundaries under the able and expert guiding principles of **Mr. M. Giri**, who is the honorable manager of our firm. With his outstanding administrative skills, managerial abilities, sound knowledge of the concerned domain and rich industrial experience, we have successfully established the name of our organization in the list of top-notch firms of...
