About Us

Nisarga Filters, a **Partnership firm**, was established in the year **2009** at **Hosur Road, Bengaluru, Karnataka, India**. Till date the firm has remained the first choice of clients for their requirement of various kinds of **Industrial Air Filters**. We are renowned chiefly for always keeping in stock of a large variety of products range with all styles and sizes to choose from. The firm is a leading and prominent **manufacturer and supplier** of **Air Filters, Painting Booths and Industrial Filters**. All the products offered by the firm are a class apart owing to its quality, workmanship and fine finish. The **Partners** of the firm **Mr. S. V. Nandeesh** and **Mr. Mallikarjun** have excellent entrepreneur skills and have been able to bring the business to such higher levels of appeal and acceptance that clients prefer to buy their products from us. We work in close coordination with our clients as per the specific requirement and their choice of materials. We have employed experienced & skilled personnel with whose innovations we are able to customize the specific requirement of the clients. The latest machines have been installed to carry out the production. The parameters that are closely monitored are the sizes of products and raw materials that are to be used so as to bring out the final products in line with customization.

For maintenance of regular quality of the products the firm is very particular in procuring the...
