About Us

Nitin Sahni Photography was established in the year 2013. We are leading Service Provider. We specialize with candid photographs for weddings and other memorable occasions, portraits and stock photographs. We deliver the best as per client's requirements. Photographs which are candid captures the moods and moments which is very rare, rather than the traditional group photos in marriages.

Mayhigh Films is a leading Wedding Photographer based in Delhi, India - but travels anywhere in India to capture weddings and other events. The photo journalistic quality of his wedding photographs makes each photograph precious and memorable for years to come.
