An Indo-Japanese Joint Venture, Nitta Gelatin is known around the globe as a specialist in Gelatin and Collagen Peptide.
About Us

Promoted by Kerala State Industrial Development Corporation Ltd. [KSIDC] in collaboration with Nitta Gelatin Inc., Japan, we are a leading global manufacturer of Gelatin, Ossein, Di Calcium Phosphate and Collagen Peptide. Incorporated as Kerala Chemicals and Proteins Ltd. in 1975, the name was changed to Nitta Gelatin India Ltd. in 2008 reflecting our global standards and values. Since 2010, we have forayed into consumer markets with food supplements and fertilizers. With two plants in Kerala and one each in Maharashtra and Gujarat, our products now reach 30 countries. We are listed on Bombay and Cochin Stock Exchanges.

“Live life to the fullest”–Our products are with mankind in all walks of life from childhood to adulthood. Gelatin is an inevitable factor in the life of humans today. Gelatin is a vital ingredient in the most popular drug delivery systems in the world such as two piece hard capsules, soft capsules, tablets, coated tablets, mini, micro capsules etc. Gelatin's versatility makes it the ultimate food ingredient, finding application in confectionery, desserts, beverages, dairy and meat products.
