## About Us

N.K. Chakravarty & Company is a technical consultancy firm advising on civil engineering, architectural, survey work and valuation of land, buildings, structures, plant and machinery, etc. The company was established in the year 1963 incepted by Mr. Nirmal Kanti Chakravarty as a sole proprietorship firm and later on was converted in to a partnership firm. The company has served clients of various types all over the country for almost five decades now with Mr. Nirmal Kanti Chakravarty still actively involved as the guiding spirit of the establishment. We are chartered surveyors, architects, Govt. Regd. valuers and indulge in valuation of real estate properties, valuation of plant and machinery and civil engineering.
