We are one of the leading manufacturers, suppliers and exporters of Keyless Transmission Element, Hold Back Device, Freewheel One Way Clutch, Tensioner Nut & Bolts and Cam Followers.
About Us

Established in the year 1975 at Ahmedabad, Gujarat, we, “NMTG Mechtrans Techniques Pvt. Ltd.”, are one of the proficient manufacturers, suppliers and exporters of Keyless Transmission Element, Freewheel One Way Clutch, Hold Back Device, Tensioner Nut and Bolt, and Locking Assembly. The products manufactured by us are utilized in various engineering and allied industries and are known for their abrasion resistance, cost-effectiveness, optimum performance and reliability. We have a sound infrastructure to develop products that are in compliance with international quality norms and guidelines. With the help of our diligent team of professionals, we are able to fulfill our delivery commitments as per plans. Their assistance and support have enabled us to fulfill the specific requirements of our clients. Further, our quality control unit holds vital importance in assuring defect-free range of products to our clients. Our qualitative products are highly demanded in the markets across Australia/NZ, Middle East, South America, Southeast Asia and North America.
