Manufacturer of rose water, chandrika oil product etc.

About Us

We have been making quality healthcare products for over 99 years. Thousands of years of wisdom is enshrined in the ancient Ayurvedic texts (e.g. the Siddhayog Sangraha) which lay out specific formulae and manufacturing methods for holistic healthcare products using only natural herbs and minerals. We are proud to present our products, manufactured with the same attention to detail, sacrificing quantity for quality to give you the fruits of the ancient Ayurvedic tradition.
