# Nova Home Appliances Pvt. Ltd.

<https://www.indiamart.com/nova-home-appliances/>

We are an immensely respected manufacturer and supplier of a wide assortment of Home Appliances. These products are acknowledged for their optimum functionality, longer functional life and superior performance.

## About Us

Established in the year, **1990**, we, '**Nova Home Appliances**', have etched us as a prominent manufacturer and supplier of **Home Appliances**. Owing to the unique features like low maintenance, durability and minimum power consumption, these products are in huge demand in various sectors like hotels, houses, restaurants, offices and other contemporary abodes. We have sourced the finest grade of steel and other alloys from certified market vendors to manufacture the entire product line. Our products are an impeccable combination of latest technology and engineering process. Furthermore, the designs of our range reflect the hard work and research put by our specialists to manufacture these products. Moreover, our specialist's expertise in developing the entire range in varied specifications to fulfill the variegated needs & preferences of the clients. In addition to offering a qualitative product line, we hold specialization in providing prompt and reliable facility management services to our prestigious clients. Furthermore, owing to our transparent business dealings, customized solutions and ethical policies, we have been able to expand our operations all over the country. Under the able leadership of '**Mr. Amit Jain**', we have been able to etch a resounding name for ourselves in this domain. His creative outlook and domain knowledge have helped us in keeping ourselves ahead of our counterparts.
