

Novem Controls

<https://www.indiamart.com/novemcontrols-chandigarh/>

We are the foremost Manufacturer, Trader, Supplier and **Service Provider of Actuators, Programmable Logic Controller, Distributed Control System**, etc. These products are made in compliance with the international quality standards.

About Us

Incepted in the year **2009**, at **Mohali, (Punjab, India)**, we, “**Novem Controls**”, are engaged in **manufacturing, trading, supplying and providing** services of a premium quality range of **Distributed Control System, Programmable Logic Controller, SCADA System, AC Drive Variable Frequency Drive, Pressure Instrument, Level Measurement, Temperature Instrument, Flow Instrument**, etc. Quality attributes such as long service life, reliable performance, low noise & maintenance levels, energy efficiency and easy installation make these products widely demanded in the market. Moreover, we make sure to employ the most sophisticated facilities for carrying out production related activities in the most efficient and effective manner. In addition to this, our state-of-the-art infrastructure is outfitted with advanced fabrication machines and cutting-edge technology that aids us in offering best-in-class range of products in the market. To ensure that our offered products are in-line with established quality standards of the business, we have a tendency to manufacture these by creating use of the high grade material sourced from the trustworthy vendors.

The company's manufacturing plant is equipped with most modern facilities for production and quality control. The product undergoes stringent quality control tests at each stage of manufacturing, which ensures it to be hundred percent defect-free, when sent to...

Digital Ph Sensor

Online Nitrate/Sodium Sensor

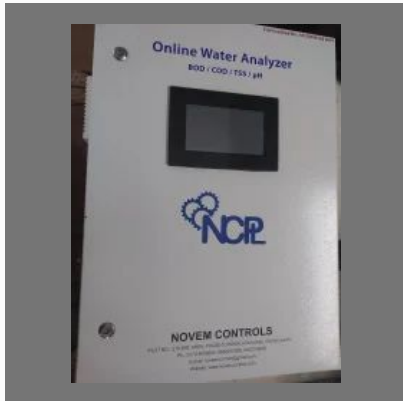

Fluorescence dissolved oxygen sensor

Digital TDS Analyzer

WATER ANALYZER

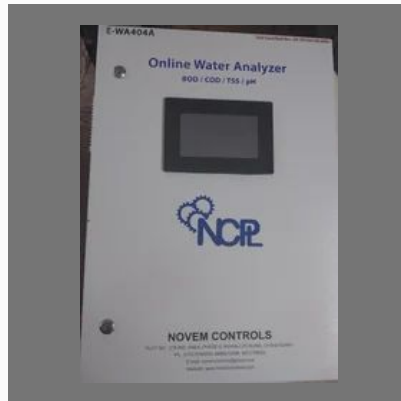

Effluent Water Quality Monitoring System

online cod sensor

Cod Measurement System

Water Online Analyzer (BOD,COD,TSS,PH) for STP/ETP

LEVEL MEASUREMENT

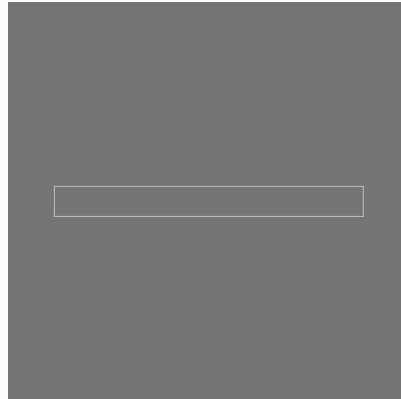

Level Transmitter Flanged Type

Hydrostatic Level Measurement

Remote Seal Level Transmitter

Ultrasonic Level Measurement

MEGGER ELECTRIC TEST INSTRUMENTS

online digital orp sensor

4-Terminal Earth/Ground Resistance and Soil Resistivity

Battery Impedance Test Equipment

Digital Ground Tester

GAS ANALYZER

Gas Analyzer / Zirconia / Oxygen / O₂

Sulfur Dioxide Analyzers (SO₂)

Flue Gas Analyzers

Gas Analyzer

FLOW INSTRUMENT

Ultrasonic Flow Meter

Flow Switch

Venturi Tube

Pitot Tube

Online Cod Analyzer

Ultrasonic Sensors

Electronic Test Bench

Leuze Diffuse Fiber Optic Sensor

TEMPERATURE INSTRUMENT

Smart Temperature Transmitter

Industrial Thermometer

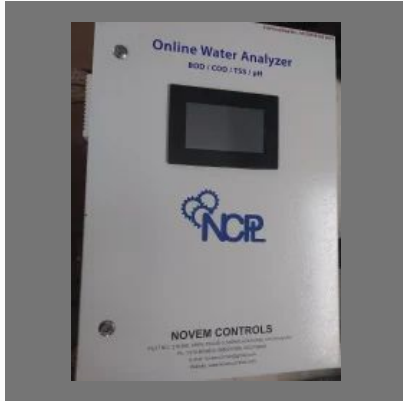

Non Contact Infrared Thermometer

High Temperature Calibrator

ANALYZER

Water Analyzer

Dissolved Oxygen Analyzer

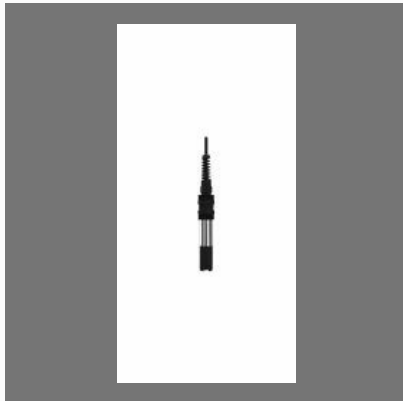

Silica Analyzer

Digital pH Analyzer

WATER & LIQUID ANALYZER

Residual Chlorine Analyzer

Portable Dissolved Oxygen Analyzer

Turbidity Analyzer

Conductivity Analyzer

MEASURING SENSOR

Digital Turbidity Sensor

Sensors for Positioning

Measuring Forked Sensors

Distance Sensors

METAL VALVE

Prdsh Station Pressure Reducing Valve

Flow Control Valve

Power Cylinder

Solenoid Operated Valves

AC DRIVE VARIABLE FREQUENCY DRIVE

CG AC Drive

ABB AC Drive

Hitachi AC Drive

DC Drive

PRESSURE INSTRUMENT

Pressure Transmitter

Differential Pressure Transmitter

Differential Pressure Transmitter Level Measurement

Differential Pressure Switch for Liquid Gas

PANELS & CONTROL ROOM INSTRUMENT

PLC Panel

DCS Panel

Foot Operated Sanitizer Stand

Electrical Control Panel

RECORDERS & DATA ACQUISITION

Circular Chart Recorder

Paperless Recorder

Strip Chart Recorder

CONSISTENCY LOOP

Consistency Transmitter

Basic Gate Valve

Set Point Controller

GAUGES INSTRUMENT

Differential Pressure Gauge

Turbine Gauge Panel

Pressure Gauge

PRESSURE & DIFFERENTIAL PRESSURE SWITCH

Electronic Differential Pressure Switch

Differential Pressure Switch for Air

Pressure Switch

OTHER PRODUCTS:

Online Multi Parameter Water Quality Analyzer

Radar Level Measurement

Residual Current Device Testers

Orifice Plate

OTHER PRODUCTS:

Optical Sensors

Thermocouple

3D Sensors

Drive Panel

Factsheet

Year of Establishment : 2009

Nature of Business : Exporter and Manufacturer

Total Number of Employees : 11 to 25 People
