## About Us

NR Academy has diversified its portfolio by launching at kottakkal in the year 2014-15 providing coaching for various Medical & Engineering Entrance Exams. The name NR is not just well known, but acknowledged as a landmark on the road to Medical/Engg Entrance coaching, specially IIT-JEE/AIIMS Entrance exams. This trust has been built over 15 years at Kottakkal. The academy is also offering programmes for the students of class VIII to X who appear in Olympiads , NTSE and other foundation programmes. Man learns more from practice than from classrooms. Our teaching experience of two decades in the entrance coaching classes of various coaching centres in Kerala was really eye opening. It gave a clear picture of the strength and weakness and needs of the aspiring students of the present day world, and the shortcomings of the institutions which cater their demands. The venture is a new one, but it is born out of the desire to provide what the students really need. The institution is backed by the experience of teachers who are considered to be the stalwarts in the field of entrance coaching under the hegemonic role of N.R., who mooted the idea of starting a specialist coaching institution for the students who have the earnest desire to achieve and readiness to work hard. Of course, N.R. Academy is meant for serious students. N.R. as every body in the entrance coaching field knows, has a legendary fame in teaching chemistry. With him associate...
