

# Nsons Enterprise

<https://www.indiamart.com/nsons-enterprise/>

We are first one in World for Manufacturer of Pellets in Various products, related to Food & Health, with our extra ordinary well equipped plant.

We have very sound establishment of Technocrate of B. Pharm & B.Sc. Experience.

## About Us

Incepted in the year 1990, we have been able to go on to become a top notch organization under the leadership of our owner Mr. Salil Modi. Our wide and qualitative range of pharmaceutical machinery like roller compactor & spray coating machines and health care products like whole soya bean, choco powder and others has been able to earn its position in the domestic and global market because of quality, efficiency and reliability. These are being supplied to various companies of huge repute in the domestic and international market.

We manufacture these machines and products in our manufacturing unit by using advanced technology complemented by high graded raw material ensuring high quality and reliability. Our team works in close proximity with the clients to gauge and fulfill their requirements with utmost efficiency.

Moreover, the finished output is being tested on various different parameters before supplying these to the clients. We are equipped with hi tech testing facilities which ensure that each machine and health care product is tested at every stage of production thus ensuring high quality standards.
