About Us

We are involved in meaningful innovations of PVC products for False ceiling, Wall paneling, PVC partitions and now present the range of PVC and FRP doors to meet different performance, price and durability requirements. The range covers right from external use to doors that deliver great performances in bedrooms, bathrooms, toilets and kitchens. NUPPLAST Brand of PVC Doors have the beauty, texture and feel of fine wood grain but without the inherent problems of wood. Manufactured in a state-of-the-art plant, we ensure that you get the best quality.
