About Us

Hyper Sascom Ltd. is an IT Solution Provider engaged in Software Development, Offshore Consultancy & Technological Solutions. The Company is well established and is successfully operating in India since last 10 years. We have an excellent experience in implementing IT projects in India. Teledata informatics Ltd took over Hyper Sascom Ltd in December 2005, mainly to financial support to the project operating by HSL. Teledata Informatics Ltd was among the very first company to takeover any company of Bihar.
