# Oasis Fountains

<https://www.indiamart.com/oasis-fountains/>

We are distinguished manufacturers and suppliers of an opulent range of **Indoor and Outdoor Fountains, Waterfalls & Water Curtains**. Apart from this, we also offer efficient after sales services and AMC contract services for these products.

## About Us

Established in the year **1999**, we "**Oasis Fountain** " is a leading manufacturer and supplier of a wide range of **Indoor & Outdoor Fountains in Mumbai**. Additionally, we render expert after sales support along with annual maintenance contract services to our patrons. Crafted to perfection, these products reflect world-class designing, artistic brilliance and creativity at its best. Our range of products is manufactured using a variety of latest machines like lath, milling, grinding, hydraulic press, pipe bending, welding and drilling machinery. We have appointed a team of experienced and meticulous workforce, which puts ultimate display of its artistic brilliance to design and craft absolute masterpieces. We are backed by a well equipped infrastructure, which eases production of quality conforming products in bulk quantity. Our organization undertakes the entire responsibility of beautifying the ambiance of any interior or exterior with our range of fountains. Owing to our strong financial position, timely delivery and after sales support, we have established a huge clientèle. Some of these clients include Esskay resorts, Boomerang and Kale Consultants. Our organization has earned both name and fame in industry under the able leadership of ' **Mr. Mahesh Bhavsar**. He is the major driving force behind the soaring success of our company. It is his efficient planning and dedicated efforts, that we have earned huge...
