## About Us

Established in the year 2009, we, ocean Services Interintional, are one of the leading names engaged in rendering different kinds of Certification Services. For offering these services, we are backed by a well qualified and experienced team that has innovative work approach, patience and desire to serve the clients endlessly. Being highly authentic, these services encourage our clients to acquire various quality certifications for meeting the specific project demands. We offer quality testing and certification for all kinds of commercial and industrial products.

For efficiently meeting the client's expectations and providing best possible solutions, we conduct thorough audits for analysis and then provide certification for all kinds of products including consumer and industrial products. Our complete pattern of management is organized in a hierarchical manner that has helped us in gaining immense recognition in the industry.

Under the able guidance of our mentor, Mr. S.K Singh, we have attained a respectable position in the sphere and have quadrupled our business operations. He is a MBA and which makes him use his skills and knowledge towards the betterment of the organization.
