Oerlikon Textile India Private Limited

https://www.indiamart.com/oerlikontextile/

Manufacturer, distributor and supplier of textile machines, autoconer machine, auto coro machine, ring frame machine, speed frame machine and open end machine.
About Us

Oerlikon Schlafhorst positions itself with innovative solutions once again as market and innovation leader for roving, ring spinning, winding and rotor spinning. Numerous new developments and comprehensive, customised spinning solutions ensure excellent and reproducible yarn and package qualities. Furthermore, they generate top productivity performance in short and long staple spinning.
