We are one of the renowned formulators and suppliers of an exclusive range of Industrial Chemical Dyes. These are well known among the clients for precise composition, high purity levels and longer shelf life.
About Us

Established in the year, 2003, at Ankleshwar, Gujarat, India, we “OHM DYE CHEM” are one of the leading formulators and suppliers of a superior quality range of Industrial Chemical Dyes. With our in-depth knowledge and commitment towards excellence, we have been able to gain trust and confidence of our customers. In our range of dyes, we offer, Paa Oapsamide, Oapsamide, Methyl Oapsamide, Anthranilic Oapsamide and Aniline Oapsamide. All our dyes are safe-to-use and highly acknowledged for accurate composition, better output and high effectiveness. Further, our ethical business policies coupled with timely delivery enables us to offer cost effective products to the customers. Apart from this, we also offer, 3-amino Benzene N-methyl Sulphonamide, Oacbps Amide, Pncb Amide and Oncb-N-N Di Methyl Amide. We have with us a team of experts who have in-depth knowledge about the different kinds of dyes. These professionals help us to customize the chemicals as per the specific needs and demands of the customers. After the dyes are being processed, these are stored in our capacious warehouse to meet the urgent needs of the customers. Further, we also assure our clients that our manufactured dyes are in strict adherence with the environmental standards. We are headed by our mentor, Mr. Narendra K. Patel and Sunil Joshi. Owing to their able guidance, support and in-depth process knowledge, we are able to strengthen our...
