## About Us

Olive Green Interiors & Services Private Limited incepted in the year 2013, are known for actualizing the imagination of customers with our extremely creative and highly advanced interior designing service. The several years of experience, combined with latest technologies makes us the most reliable service provider. As a professionals Interior Decoration service provider, we are praised for rendering solutions for Office Interior Decoration, POP, False Ceiling etc. These are rendered by industry's best personnel, utilizing their creative skills and merging latest trends of the industry. Before starting the work, our experts conduct feasibility study, site analysis study and also discuss some design layout plans with clients so as to render solutions as per the likings of customers.

We have a wide client base, which is maintained by giving utmost importance to every detail. Furthermore, the offered product and service can be availed by patrons at most competitive prices. Availability of modern resources and a smart team of project mangers, designers and other skilled employees, have made us more competent in handling tangled projects with equal emphasis on innovation and creativity. Based on client centric approaches, all the job works are being accomplished, following international quality standards.
